

Cowboy Action Shooting

Do you love the history of the Old West? Do you fancy western attire? Do you enjoy competitive shooting? If so, then you need to take a serious look at Cowboy Action Shooting, where you can make that Old West history come to life.

We dress in period clothing circa 1865-1899, and shoot rifles, pistols and shotguns from the same era (reproductions okay). Each participant adopts a shooting alias appropriate to a character or profession from the late 19th century, a Hollywood western movie star, or a western fictional character.

Because we use live ammunition, we adhere to [SASS](#) (Single Action Shooting Society) rules and regulations, to ensure safety and consistency in Cowboy Action Shooting matches.

We welcome new shooters to our club. We realize that getting started in the sport can be expensive, so don't let that stop you. Members are happy to help where they can, including the loan of firearms.

If you would like to join us in this exciting action sport, please contact Okie Sawbones at 360-705-3601, or Dynamite Dalton at 360-352-1393. Visit our web site: <http://mimamarauders.com>.
